Aims and Scope: *Croatian Economic Survey* is an English-language, peer-reviewed scholarly journal published by The Institute of Economics, Zagreb, Croatia. The journal aims to serve as a forum for academics and practitioners by publishing high-quality research papers on topics in all areas of economics. Special focus is given to post-socialist Europe. The journal welcomes empirical and policy-oriented papers relevant to a broader international audience. Contributions need not be limited solely to economics; submissions from other related disciplines are encouraged.
